## Skills

### ▪ Languages & frameworks

React JS, JavaScript, Java, Bootstrap, MUI, SQL, Tailwind CSS.

### ▪ Designing Skills & Tools

UI, UX, Web design, Product design, Mobile & App Design, Visual Design, Prototyping, Design System, Design Strategy, Photoshop, Illustrator, XD, Figma, Canva, HTML, CSS.

## Experiences & Internships

### ▪ Associate Software Engineer | Utkal Labs, Bhubaneswar

Remote | Jan '23 – Present

Participated in various product discoveries and design sprints, where I am responsible for prototyping and designing apps for a Video streaming company and a Social-media company and apart from that I have also contributed on the frontend web developments of a Collab Application, and a Video conferencing application.

Worked on technologies like ReactJS, HTML, CSS, JavaScript, Bootstrap, MUI.

### ▪ UI/UX & React Intern | Utkal Labs, Bhubaneswar

Remote | Apr '22 – Dec '22

As a part of design team, I designed the Prototyped UI of a web application using Figma [both desktop version as well as mobile version].

Crafted captivating To-Do and Weather Apps using ReactJS, CSS, and Rest APIs.

Elevated the user experience by designing the sleek UI and implementing the frontend of a cutting-edge chat application, Ping-UL, leveraging ReactJS, MUI, APIs, and SocketIO.

### ▪ Web Development Intern | Lets Grow More Org.

Remote | Aug '21

Designed and created a single page website and also an API based web app which fetches users from the API.

Using web technologies like HTML, CSS, JavaScript, and ReactJS.

## Projects

### ▪ DecaCodeBlitz

Developed a website for a 10-day coding competition, facilitating registration, question delivery, user result tracking, and rankings management.

### ▪ Portfolio Website

Crafted a contemporary portfolio website leveraging ReactJS, CSS, JavaScript, and the MUI framework.

### ▪ To-do App

Web application developed with ReactJS that enables users to create, delete, and organize notes into groups.

### ▪ Ping-UL

Chat application developed with React JS featuring user authentication, seamless contact management, and intuitive conversation interfaces.

## Education

▪ Master of Computer Applications | United School of Business Management, Bhubaneswar

2021-2023

▪ Bachelor of Computer Applications | Utkal University, Bhubaneswar

2018-2021

▪ +2 Science | Maa Tarini Junior College, Jajpur

2016-2018

▪ Matriculation | Panikoili High School, Jajpur

2013-2016

## Workshops

▪ Selected on top 3 in National Workshop cum Training on “Cyber Security & Ethical Hacking” conducted by “N. C. (Auto) College, Jajpur” in collaboration with Wetlab Championship & Shastra (IIT Madras Event).
